Lancaster Heritage Trail

Start at the Lancaster Visitor Information Centre at the Storey Creative Industries Centre on Meeting House Lane. Look around to answer your first question.

Q1 **How is your Latin? Which Queen is honoured?**

Walk down the hill and cross into Market Street opposite (take care crossing the main road). Continue along Market Street and you will find the Lancaster City Museum on your left in Market Square.

Q2 **When did His Worship the Mayor lay a stone?**

Continue down Market Street, turn right into Penny Street and then take a left into Brock Street. Walk down here and cross over Thurnham Street (at the pedestrian crossing!) to find the Town Hall on your right, and Dalton Square Gardens on your left, with the magnificent Queen Victoria Monument.

Q3 **Justice, Wisdom, Truth - and what else?**

Continue past the Town Hall into Nelson Street, then turn right into Robert Street. At the end turn left into Quarry Road and walk to the canal bridge. Take the path on the left just before the bridge and go down to the Lancaster Canal Towpath. Walk in the direction of the Joseph Clayton Bridge – you will need to go under two bridges.

Q4 **Find Edward Wood – what city is he from?**

After the second bridge (#102), you will find some steps on the left. Take these, turn left at the top, then take a right into St. Peters Road, and walk to St. Peters Cathedral. (If steps are not possible, retrace your steps to Quarry Road, turn left and left again into St. Peters Road.)

Q5 **Find a lady's face wearing a veil – what is her 'sister' wearing?**

Return down St Peter's Road with the canal on your left. At the end of the road turn left and cross the canal. Follow Moor Lane to its end, turn right, then left at St. Nicholas Arcades into Church Street. As you walk to the end of Church Street, answer Q6.

Q6 **In whose house did Bonnie Prince Charlie lodge?**

At the end of Church Street, cross over to find the Judges' Lodgings ahead of you.

Q7 **How many of these symbols can you see?**

Next, nip up Nip Hill - the small cobbled path by the Judges' Lodgings. At the top turn right and follow the road around the Castle until you find the public entrance.

Q8 **Whose property is Lancaster Castle?**

Walk across to the Priory Church of St Mary, which is next to the Castle.

Q9 **Find a lady who has lost her head. Where was George Lloyd from?**

Find the sign for the public footpath to St. George's Quay, and follow this down to the road, and turn left. (There are some steps on this footpath, so if that is a problem St George's Quay can be reached by going back to the Judges' Lodgings and turning left, then left again). A little way up St George's Quay you will find the Lancaster Maritime Museum.

Q10 **How many black anchors are there at the entrance?**
